> STILL OF THE SAME MIND Well, we've got another thing to fight out June 14—the question of who will be congress-

between Henry B. Steagall and J. Hubert Farmer, James E. Folsom having been eliminated in the May primary. While theoretically Mr. Farmer has a chance, Mr. Steagall having lacked a couple of thousand votes of defeating both opponents in the first primary, yet the practical chances are

Mr. Farmer claims that Mr. Folsom will throw all his strength against Mr. Steagall, but that is open to question. No candidate can say with any assurance that he can deliver to another all votes he himself received, and the first voters to resent such possession will be the independent farmers in the west end of Geneva County who for reasons known to themselves voted May 3 for Mr.

Mr. Steagall in 1936 carried the west end of Geneva County against Mr. Folsom, showing that there was a soft spot in their hearts for the man who had done so much for the Wiregrass and the poor of the nation. That there was a swing in 1938 to Mr. Folsom does not mean The Egyptian or Gray rat has been found most common in this connection with a soil-depleting day cotton ginners meetings, description of 300 pounds of 1. Application of 300 pounds of 16-per cent super-phosphate (or title equivalent) to, or in connection with the seeding of, perennial or with the seeding of, perennial or with the seeding of permanent pasture.

2. simmsed to make the sum of Forman on the indications."

"So that's your mood," snorted Markham hopelessly. "I'm telling you, you outrageous fop, that this good sand county, Alabama, in favor of said you you outrageous fop, that this is a damned serious situation—what happened to Fleel tonight ought to prove that."

"I know only too well, Markham, how serious the situation is he said in a grave and curiously subdued voice. "But there's really nothing we can do. We must wait—please believe me. Our hands and feet are tied. The most serious part of the whole affair is that this is not a kidnapping case at all, in the conventional sense. It goes deeper than that. It's cold-blooded, diabolical murder. But I can't quite see my way yet to proving it. I'm far more worried
